Bylaws for The Lindsay Cemetery Corporation's Riverside Cemetery, Lindsay, Ontario

Forward

This booklet contains the Bylaws of The Lindsay Cemetery Corporation (hereinafter referred to as "Cemetery"). They have been approved by the Registrar, Bereavement Authority of Ontario.

Riverside Cemetery was opened in August 1870, when a group of public spirited citizens of Lindsay decided that a suitable burial ground should be available to meet the needs of the growing community.

A ten acre plot of land located on the east bank of the Scugog River was purchased for cemetery purposes in perpetuity.

During the succeeding years, the property has been enlarged to its present size of some sixty acres and has been improved and landscaped with roads, its own water system, Columbaria, and a Crematorium, to provide a gracious and dignified resting place for past generations.

The cemetery is a not for profit charitable organization operated for the benefit of the Interment Rights Holders. All moneys are used exclusively for the maintenance, expansion and improvement of the cemetery. The Cemetery is not owned and/or operated by the City of Kawartha Lakes and does not receive any subsidies from the municipality.

The operation and administration is governed by a board of directors who are elected annually by the Interment Rights Holders. Interment Rights Holders have the right to attend the annual meeting and vote in accordance with the corporate by-laws.

Management earnestly request that Interment Rights Holders and visitors observe the rules and regulations contained in this booklet.

The Lindsay Cemetery Corporation accepts donations for the benefit of improvement to the cemetery grounds and operations. Donations may be submitted at the main office in person, by mail or by testate. All donations are tax deductible and a receipt shall be issued for donations of twenty dollars (\$20 CDN) or more.
